Oct. 15, 1968

Dear Hal,

My typewriter is not working so I'm continuing to write longhand.

I want to let you know how your schedule is shaping up so far. I would put these down as arranged for the time you'll be here and keep it handy so you can readily refer to it. Here's how things have been handled to date:

You have five appearances in the Bay Area from Monday Oct. 21st through Saturday, Oct. 26th. (I'm assuming you'll be leaving the 27th Sunday for San Diego but if not perhaps you, Paul, Jim S. & myself can spend this day together). Here are the appearances in order of time:

MON. OCT. 21 (#1) — Arrival at S.F. on United Flight #63 out of Baltimore 12 noon (Paul Hoch says he will meet you since I cannot).

TUES. OCT. 22 (#2) — 10 A.M. — KDIA INTERVIEW (approx. 45 minutes) near Bay Bridge Toll Gate — Oakland (either Louis Freeman or Paul Gardner).

TUES. OCT. 22 (#3) — (1 — 4 PM) — KGO RADIO — SAN FRANCISCO "OWEN SPANN" Show (Weisberg to be there either at 1, 2, or 3 P.M. — I suggest 2 P.M as best)

TUES. OCT. 22 (#4) — (7:30 PM) — WEISBERG AT S.F. STATE COLLEGE — HLL 305 AT = HAL VERB'S WORKSHOP ON JFK ASSASSINATION 1600 HOLLOWAY — S.F.

TUES. OCT. 22 (#5) — (10 PM) — JOE DOLAN TV SHOW (CHANNEL 44 — LIVE) AT = 420 TAYLOR ST. — S.F. (Program starts at 10:30 PM)

SAT. OCT. 26 (#6) — (4:30 PM TO 8 PM) — "JIM EASON" SHOW — KGO RADIO — S.F.

There is a possibility that if Owen Spann changes his schedule you'll be on Friday, Oct. 25th instead but that doesn't seem too likely. Of course, you'll be advised accordingly.

Incidentally, John Christian did not set up the Spann show as he promised. His secretary knew of no arrangements and so I nailed it down.

I tried to get you on Dolan's radio program & spoke to Dolan's wife. She repeated exactly what John told me about his attempt - that Dolan was off the subject (she sounded different than when we used to talk, more conservative, less willing to talk for any length of time).

Now, as far as a place is concerned for you to stay. You can stay at my place & have the whole apartment (I'll have a phone by then) & it's modern enough for you to stay there. I've made arrangements to stay elsewhere so you'll have the place all to yourself if you want

If you can, can you send both Channel 44 and KDIA some info on "COUP D'ÉTAT"? I'll send them something but need only some theme I can put into typed form (with no typewriter I have to improvise). Send the info to Channel 44, 420 Taylor St. - S.F. (att'n: Dianne Children, Producer) and to KDIA (att'n PAUL GARDNER, KDIA, P.O. # 8432, OAKLAND, CALIF.).

Of course there's plenty more to discuss but I'll leave that for my meeting with you. Hope everything is O.K. 'till now.

In haste,

Hal Verb
